Read report: [Contra el viento](#) [3]

São, a girl who, like everyone in her village, was born to work, decides one day to try and build a better life for herself in Europe. After learning, again and again, how to overcome adversity, she will find a new friend in a Spanish woman who is drowning in her own insecurities. São helps her recover her will to live and together they form an indestructible bond, one that will make them both stronger.

A moving story of friendship between different women from very different worlds, told with all the beauty that reality has to offer. A novel full of feeling for avid readers of emotional fiction.

Once again, Ángeles Caso captivates us with an essential tale, one to read and share with others. She is one of the most read authors in Spain.
