When Lorenzo and Natalia meet, the chemistry between them means that they cannot help starting a secret relationship because they are both married. Lorenzo has two brothers, Nicolás who is a police officer and Gabriel who works in IT and seems to be mixed up in dodgy dealings. Natalia is a heart-stopper of a woman and has only been married to Gabriel for a few weeks. From this moment on, the protagonists lives will be full of danger, lies, betrayal and a lot of blood – so a seer tells them. A pacy, energetic story with solid characters and plot full of unexpected twists, eroticism and humour.
