Publisher: [Clivis Publicaciones – Elisenda Climent](#) [2]

Year of Publication: 2005

Pages: 128

Genre: Sports and practical book

AUTUMN

2010

Season: AUTUMN 2010

This is not a method for singing but a in-depth reflection on singing as a career, its demands and its repercussions on the life of the singer. Being the bearer of one's own instrument demands greater discipline on the part of the singer. Practical, useful advice for the singer, which can also be applied to the professional discipline of any musician.
