What if Jacqueline Kennedy had been the victim on that fateful 22nd November 1963? The history of the United States would have been completely different, changing the destiny of the American people. The 'Los Angeles Herald' journalist Thomas Glass and his family are well aware of this. As is the serial killer who is stalking them, overshadowing the glitz of Hollywood with blood, just as young Annie Glass begins a promising career as an actress under the guidance of a talent scout with his own secrets. And so are the killers who tried to eliminate Kennedy and failed... and who want to try again.
