Hello! I'm back and I've grown so much! I still love painting but I now like doing many other things: hiking, playing with grandma, meeting my friends... Even though sometimes I'm sooo bored... But I have discovered how to not get bored!!! Do you want me to tell you how? Minimoni, the lovely, charming character of the best-seller "What Colour is a Kiss?" is back! This new adventure explores the huge possibilities that boredom offers to appeal to the imagination of children. "I had long wanted to write a story about boredom, and Minimoni has been the perfect partner." Rocio Bonilla
