There are lots of things that could make a child afraid. The protagonist of this story is afraid of getting lost, being alone in the woods, fantastical creatures... but there's one thing that really terrifies him: the dark! Being afraid makes you very scared, but this book won't make you scared. On the contrary, it will help us conquer our fear! A new and very humorous title from Jaume Copons with illustrations by Pep Montserrat. Do you want to know more? Then don't be afraid, open the book, because I'm going to tell you... Everything I Know About Fear.
